

SumTotal[®] ToolBook[®] Support Services

Subscribing to the ToolBook Support Services program is the perfect complement to your purchase of ToolBook. With ToolBook Support Services, you will get answers to questions and assistance with the challenges you may face while developing your authoring projects. In addition to a traditional support desk, ToolBook Support offers periodic web seminars, which as a subscriber you will be invited to attend. The purpose of these seminars is to provide additional information that covers tips, tricks, and techniques that will further your success with ToolBook.

With each ToolBook Support Services subscription, you will receive:

- High-quality problem analysis and response by ToolBook technical experts
- Access to our technical experts
- Notification of service pack releases and small updates known as hotfixes
- Unlimited toll-free¹ telephone and e-mail support requests during the term of your subscription
- Response to all issues within 1 business day²
- Around-the-clock access to the SumTotal product knowledge base, containing thousands of technical articles pertaining to ToolBook usage
- Free maintenance releases and version upgrades during the term of your subscription³
- Access to LiveExtension feature provides real-time Web access to new authoring extensions and time saving features during the term of your subscription
- Invitations to our subscribers-only web seminars, which are geared specifically to ToolBook authors
